## THE MDC COMMUNITY

From our daily customers, to our ski bums, and our dog park family, our goal here at Mountain Dog is to create a community and family. Whether it's joining our Mountain Dog Dog Park Facebook group or planning to meet up with your friends, Mountain Dog is here to help! Our new Tuesday Loops & Lattes group is a great way to immerse yourself in the MDC community, every Tuesday from 1 p.m. - 3p.m.

## Paws in the Park

With warm weather coming back to Boone, the daily dog park comers are starting to increase! We want to take this time to remind you of some of our Dog Park Rules. Please make sure to avoid food in the dog park, pick up after your dog, and most importantly, allow your four-legged friends to run free and have fun!

Remember you can always call in to a barista and order a drink while you play with your dogs as well!
